

## Help us understand changing dynamics in families with GLBQ+ family members

### Project Information

This project examines how families navigate changing dynamics around sexual orientation across generations.

Participation in this study will consist of a 2 hour interview that will take place virtually via Teams.

You and each of your family members will receive \$100 for participating. Scan the QR code below to fill out a brief online Screening Form to see if you qualify for participation in this research.

**\$100 for you and your family members!**

### Eligibility

- Interviews with three family members; grandparent, parent, and child
- Of these family members one must be GLBQ+ (Gay, Lesbian, Bisexual, Queer)
- Must have known about family member's sexual orientation for at least two years
- All members must be 18 years or older
